Chairman's Report

On behalf of the Board of Credit Ombudsman Service Limited, I have pleasure in presenting the company's Annual Report for 2006.

Highlights of 2005/2006

Highlights of the third year of the company's operations are:

- A continuing increase in COSL's membership;
- COSL's 3 year Review;
- Continuation of a campaign to educate Members about COSL's role and its function as an ASIC approved External Dispute Resolution scheme;
- Member representations about COSL Service Fees; and
- Completion of a thorough review of COSL procedures.

COSL membership

When operations commenced on 1st July 2003, COSL's membership was approximately 1,200 and comprised Full Members and Life Members of the Mortgage Industry Association of Australia ("MIAA"). At this time, the scheme's jurisdiction was limited to complaints against members who had dealt with consumers in respect of real estate mortgage secured lending.

During 2003/2004, COSL's membership grew to 3,146. The principal factors behind this growth in membership were:

- The expansion in November 2003 of COSL's jurisdiction to include finance brokers, mortgage brokers and other operatives in the credit industry that were not members of MIAA;
- COSL's approval by ASIC as an EDR scheme;
- ASIC's Class Order Exemption in December 2003 in respect of Mortgage Offset Accounts; and
- Further expansion of COSL's jurisdiction in February 2004 to cover a broader range of financial products as well as directly incidental products and services.

In 2004/2005, membership growth continued at an accelerated pace, expanding to an excess of 5,800. Relevant factors in respect of this growth include the requirements of Lenders, large broker organisations and other Credit Industry participants for contracted brokers to be members of an ASIC approved EDR scheme, such as COSL.

In 2005/2006 the rapid growth in membership again placed significant pressures on the company's administration. As at 11 October 2006 the company's membership is 7105 (2005: 5802).

SCOCA

On 15th February 2005, COSL made a detailed Submission to SCOCA with respect to proposals for national Finance Broking regulation.

In its Submission, COSL urged a uniform approach to regulation. COSL also recommended limited but carefully defined exemptions from regulation so as to minimise the risk of regulatory exemptions being used as an opportunity for avoidance by operatives who would otherwise be regulated.

COSL's Submission also highlighted the need for the regulatory regime to deal adequately with issues arising from the "value chain", i.e. the differing parties and roles involved in the totality of a loan transaction from initial application to eventual repayment of the loan and discharge of any associated mortgage.

The imminent release of SCOCA's recommendations for establishment of a uniform regulatory regime for Finance Brokers is awaited.

3 Year Review

Under the terms of its approval by ASIC as an EDR scheme, and in accordance with the COSL Constitution, COSL is obliged to commission an independent review of its operations. This review is to be completed within 3 years of the date of ASIC's approval. Accordingly, the review was completed. For this purpose COSL engaged The Navigator Company Pty Limited. This process involved extensive surveying of COSL members and consumers who had lodged complaints with COSL, interviews with key stakeholders and a review of COSL cases management procedures. The Reviewer made a number of recommendations that the COSL Board has accepted and is currently implementing. The final report from this review will be available at www.creditombudsman.com.au in the near future.

EDR scheme educational campaign

During the year, the Board recognised a need to further educate Members about the EDR process in the Credit Industry. Accordingly, a campaign was initiated to educate Members about COSL's role and functions as an ASIC approved External Dispute Resolution scheme.

COSL staff made regular appearances at Professional Development Days and frequent newsletters have been sent to members.

COSL Service Fees

As an ASIC approved EDR scheme, COSL is bound to comply with ASIC Policy Statement PS139. This policy statement emphasises that access to an ASIC approved EDR scheme is to be free to consumers. Accordingly, the costs of COSL providing an ASIC approved EDR scheme must be borne by the Members.

The COSL Board has kept this matter under review and specifically asked that it be addressed in the 3 Year Review. The Review made certain recommendations that the Board has under consideration.

COSL Procedures

Also during the year, the COSL Board undertook a thorough review of COS procedures. This review was undertaken by a Board Subcommittee and COSL staff in consultation with the industry, consumer organisations and ASIC. The Board approved amendments to the Credit Ombudsman Rules and revised COS procedures in February 2006. The Board has further changes under consideration in the light of recommendations in the 3 Year Review Report.

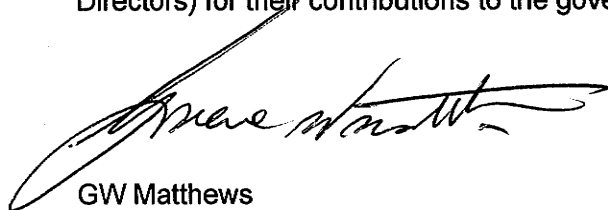

Conclusion

I would like to record my appreciation of the efforts of COSL's Administration Manager, Mrs Debbie Lodge, Mr Mark Wesker, Ms Julita Agudilla, Ms Bernadette Brigden and Ms Kelly Brandon.

I would also like to record my appreciation of the efforts of Mr Peter Robinson, Ms Cynthia Leonard and other staff of Australian Commercial Disputes Centre who as Scheme Manager have continued to professionally and competently deal with COSL's dispute resolution workload.

2006/2007 will see further significant challenges for COSL. In particular, COSL, and the Credit Industry, awaits the release of SCOCA's proposals for uniform Finance Broking regulation. As I noted last year, if SCOCA recommends compulsory membership of an ASIC approved EDR scheme as a condition of operating in the Credit Industry, COSL will need to "gear up" to prepare for a further significant increase in membership and dispute resolution workload.

Finally, I extend my sincere thanks to Ms Katherine Lane and Ms Catherine Uhr (Consumer Directors) and Ms Victoria Edema and Mr Jon Denovan (Member Directors) for their contributions to the governance of the company.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2006

1. STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial report is a general purpose financial report that has been prepared in accordance with applicable Accounting Standards, Urgent Issues Group Consensus Views, other authoritative pronouncements of the Australian Accounting Standards Board and the Corporations Act 2001.

The financial report covers the Credit Ombudsman Service Limited. There are no controlled entities. Credit Ombudsman Service Limited is a company limited by guarantee, incorporated and domiciled in Australia.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The following is a summary of the material accounting policies adopted by the company in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

(a) Plant and equipment

Plant and equipment are brought to account at cost less any accumulated depreciation. The carrying value of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from these assets.

Depreciation of plant and equipment is calculated on a 'diminishing value' basis at rates which take into account the remaining useful life of the relevant assets and their estimated useful life.

Rates of depreciation used are as follows:

Computer equipment	25% to 37.5%
Computer software	40%
Office equipment	15%

(b) Employee Benefits

Provision is made for the company's liability to employees for annual and long service leave, plus related on-costs. Contributions are made by the company to an employee superannuation fund and are charged as expenses when incurred. The company has no legal obligation to cover any shortfall in the fund's obligation to provide benefits to employees on retirement.

(c) Income Tax

No taxation has been provided in the financial statements because the income of the company is exempt from the payment of income tax under the Income Tax Assessment Act.

INDEPENDENT AUDIT REPORT

To the members of the Credit Ombudsman Service Limited

Scope

The financial report and Directors' responsibility

The financial report comprises the income statement, balance sheet, statement of changes in equity, statement of cash flows, accompanying notes to the financial statements, and the directors' declaration for Credit Ombudsman Services Limited, for the year ended 30 June 2006. The Directors of the company are responsible for the preparation and true and fair presentation of the financial report in accordance with the Corporations Act 2001. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

Audit Approach

We conducted an independent audit in order to express an opinion to the members of the company. Our audit was conducted in accordance with Australian Auditing Standards, in order to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgment, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the financial report is presented fairly in accordance with the Corporation Act 2001, including compliance with Accounting Standards and other mandatory professional reporting requirements in Australia, a view which is consistent with our understanding of the company's financial position, and their performance as represented by the results of their operations and cash flows.

We formed our audit opinion on the basis of these procedures, which included:

- examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report, and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the directors.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements and the Corporations Act 2001.

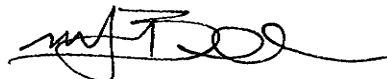

Audit opinion

In our opinion, the financial report of Credit Ombudsman Services Limited is in accordance with:

- a. the Corporations Act 2001 including:
 - i. giving a true and fair view of the company's financial position as at 30 June 2006 and of its performance for the year ended on that date; and
 - ii. complying with Accounting Standards in Australia and the Corporations Regulations 2001; and
- b. other mandatory financial reporting requirements in Australia.
